

## Skyward Family Access

Request a Skyward Family Access Form from your child's school counselor.

Fill out the form and return in person along with your driver's license.

The counselor will then issue a Login ID and Password unique to your family.

Type in the Login ID and password provided by your child's school counselor.

The screenshot shows the Skyward Family Access interface. At the top, there are fields for 'Student:' and 'School:'. Below these is a calendar for September 2011. The calendar shows dates from 1 to 30, with some dates highlighted in green. A sidebar on the left contains a 'General Information' section with several links: Calendar, Student Information, Gradebook, Message Center, Attendance, Schedule, Discipline, Food Service, Activities, Report Cards, Portfolio, Academic History, E-mail Notifications, Health Information, and Login History. At the bottom of the sidebar, it says 'Translation powered by Google™'. Below the calendar, there are several checkboxes for displaying information: 'Show Absences/Tardies', 'Show MC-Messages', 'Show ST-Student Tests', 'Show Gradebook Assignments (Grade Earned)', and 'Show AC-Activity Events'. The browser's address bar shows 'Internet | Protected Mode: On' and the zoom level is set to 100%.

Click on any of the links under General Information to view the following:

*Please remember to abide by the following guidelines:*

**Guidelines for System Access:**

- 1.) Only the parent/guardian may request access to the Skyward system.
- 2.) For confidentiality purposes, the district will not give account information via phone or fax
- 3.) The parent/guardian will be issued a unique account name and password. It is the sole responsibility of the parent/guardian to protect the security of the account. The district will not be responsible in the event the account information becomes possession of another person.
- 4.) Inappropriate use of the Skyward online system will result in immediate loss of access. (For example the accessing records of non-family members or inappropriate communication via the system.
