**Guidelines for System Access:**

- 1.) Only the parent/guardian may request access to the Skyward system.
- 2.) For confidentiality purposes, the district will not give account information via phone or fax
- 3.) The parent/guardian will be issued a unique account name and password. It is the sole responsibility of the parent/guardian to protect the security of the account. The district will not be responsible in the event the account information becomes possession of another person.
- 4.) Inappropriate use of the Skyward online system will result in immediate loss of access. (For example the accessing records of non-family members or inappropriate communication via the system.)
